

I am expressing my concern regarding the "No Call" legislation you are considering. At the present time, I receive no more than an average of one (1) call per week. Previously, before requesting to be placed on Indiana's "No Call" list I would receive up 10-15 calls per week. Most of the time these came during mealtime, evening relaxation time, or at other inconvenient times of the day. Please do not weaken the Indiana "No Call" law.
